## Description

The National Telecommunications Commission (NTC; Filipino: Pambansang Komisyon sa Telekomunikasyon) is an attached agency of the Department of Information and Communications Technology responsible for the supervision, adjudication and control over all telecommunications services and radio and television networks throughout the Philippines.

NTC certification (Grant of Equipment Conformity) grants authority to use specified Teltonika devices inside Philippines (see documents below).

## Attachments

The image shows a scanned document titled "GRANT OF EQUIPMENT CONFORMITY" from the National Telecommunications Commission (NTC) of the Philippines. The document is for a Teltonika FMB920 device. It includes details about the equipment, the applicant (Teltonika Telematics UAB), and the technical specifications of the device. The certificate is dated November 3, 2023, and is issued to Quezon City, Philippines. The Commissioner's signature is visible at the bottom.
