

ACCESSORIES

ECAN02

New-generation warranty-friendly CAN adapter for contactless access to CAN bus data

CONTACTLESS CAN READING

Now the device reads up to 100% of available CAN data in 1,000 kb/s

LED INDICATORS

Know exactly if you had installed the adapter properly to define when the data is being transmitted

WARRANTY-FRIENDLY

No physical wire connections, the original wires are intact to make sure you keep the car warranty

UPGRADED CASING

New, stronger, and more robust casing, which improves the longevity of the device

Predictive maintenance

Industrial machinery

Car sharing, Rental and leasing

Electric vehicle management

Construction vehicles

* ECAN02 is designed exclusively for use with Teltonika devices for CAN-BUS speed up to 1000kb/s. Compatibility and quality with third-party devices cannot be assured.
