Yours sincerely
Global Administrator
GSMA Type Allocation Code

The first 2 digits of the TAC identify the Reporting Body that allocated the TAC: 01 - CTIA, 35 & 98 - BABT, 86 - TAF, 99 - TIA

GSMA allocates TAC in accordance with industry specifications, such as TS.06, TS.30 and TS.37. The complete details of this scheme and training materials can be found <https://www.gsma.com/services>

If you have any other questions, or to validate the authenticity of this certificate, please contact us at tac@gsma.com with a copy of this certificate.

Please note:
GSMA has not licensed any website to provide TAC database lookup service. If you need details of the device data, or validate the authenticity of this certificate, please contact us at tac@gsma.com

Please note this new certificate design is valid from 08 October 2025
