DashCam Product Change Notifications

<u>Main Page</u> > <u>Video Solutions</u> > <u>Teltonika DashCam</u> > **DashCam Product Change Notifications**

Product change notifications (PCN) is the way of informing customers of upcoming changes related to Teltonika products. This includes outward appearance adjustments, hardware improvements, firmware changes, changes to package contents, etc. This page stores information regarding changes to the DashCam video/photo recording device and FMX125/FMX225 tracking device since they are closely developed to work with each other. Below you will find a list of both upcoming and already implemented changes sorted from newest to oldest (top to bottom).
