	- Anatel Logo - Old Anatel ID: 07849-21-08591	- Anatel Logo removed - New Anatel ID: 24325-23-16220
Change reasons	Anatel certification renewal requires to update Anatel's ID visible on device's casing. Updated certificate with new Anatel ID can be found here .	
Product release date	2024 February	
Affected products		
Model	Affected order codes	Order code changes
TFT100	TFT100***** base codes	Updated engraving template
Change impact		
Risk assessment	No risk factors encountered with this change	
Suggested implementation plan	No additional actions required	

2022.09.09: Base firmware update

We would like to inform you about the base firmware update for TFT100 starting from 2022 October. New production firmware version will be 55.01.10.Rev.00.

Change description

Change type	Firmware update	
	Key improvements from last production firmware are listed in errata .	
Detailed description	Old version: 55.01.02.Rev.02	New version: 55.01.10.Rev.00
Change reasons	TFT100 base firmware version update	
Product release date	2022 October	
Affected products		
Model	Affected order codes	Order code changes
TFT100	TFT100*****	Updated firmware version
Change impact		
Risk assessment	No risk factors encountered with this change	
Suggested implementation plan	To experience latest functionalities, we suggest to update your device's firmware to the latest. Firmware can be downloaded from here .	

2021.10.26: Base firmware update

We would like to inform you about the base firmware update for TFT100 starting from 2021 4th quarter. New production firmware version will be 55.01.02.Rev.01.

Change description

Change type	Firmware update	
	Key improvements from last production firmware are listed in errata .	
Detailed description	Old version: 55.00.14.Rev.00	New version: 55.01.02.Rev.01
Change reasons	TFT100 base firmware version update	
Product release date	2021 Q4	
Affected products		
Model	Affected order codes	Order code changes
TFT100	TFT100*****	Updated firmware version
Change impact		
Risk assessment	No risk factors encountered with this change	
Suggested implementation plan	To experience latest functionalities, we suggest to update your device's firmware to the latest. Firmware can be downloaded from here .	

2021.10.26: Flash memory component

We would like to inform you that new update is starting from 2021 4th quarter.

Change description

Change type	Hardware	
	Flash memory component	
Detailed description	Old Version: GD5F1GQ4UEYIG	New Version: XT26G01CWSIGT
Change reasons	Flash memory component has been changed due the old model being no longer available.	

Affected products

Model	Affected order codes	Order code changes
TFT100	TFT100*****	No changes

Change impact

Risk assessment	No risk factors encountered with this change
Suggested implementation plan	No actions required.

2020.02.17: Top Sticker Changes

We would like to inform you, that Sticker of TFT100 device will be updated in factory on the 18th of February.

Change description

Change type	External/visual Top Sticker design changed	
Detailed description	Old Versions: <input type="checkbox"/>	New Versions: <input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

Change reasons	1. Change of color to get a better view of different modifications
----------------	--

Affected products

Model	Affected order codes	Order code changes
TFT100	TFT100*****	No changes

Change impact

Risk assessment	No risk factors encountered with this change
Suggested implementation plan	Due to changes in device appearance we strongly recommend to contact your customs agent with our change log information, to avoid any unexpected delays in customs clearance process.

Acknowledgement of PCN receipt

If no feedback is received within two weeks after the issue date of this notification - Teltonika may accept that this change has been tacitly accepted and can implement the change as indicated above

2019.09.22: New no brand Eco friendly boxes

Effective September 2019, TFT100 trackers with no brand packaging will be shipped with a **new no brand eco friendly box**.

Change description

Change type	Packaging Improved and more environmentally friendly packaging box	
Detailed description	Old version: <input type="checkbox"/>	New version: <input type="checkbox"/>
Change reasons	The new box is better for the environment	
Product release date	September 2019	

Affected products

Model	Affected order codes	Order code changes
TFT100	TFT100*****	No changes

Change impact

Risk assessment	No risk factors encountered with this change
Suggested implementation plan	Due to changes in device appearance we strongly recommend to contact your customs agent with our change log information, to avoid any unexpected delays in customs clearance process.

2019.06.14: Device module information display changes

We would like to inform you, that information display on device module TM2500 will be updated in factory from July 2019.

Change description

Change type	External/visual Information display on TM2500 module will change from sticker to laser print. Information provided on module will remain the same.	
Detailed description	Old Version: <input type="checkbox"/>	New Version: <input type="checkbox"/>
Change reasons	Laser printing will increase reliability, speed, and will reduce paper waste.	

Affected products

Model	Affected order codes	Order code changes
TMT250, GH5200, TST100, TFT100.	TMT250*****, GH5200*****, TST100*****, TFT100*****	No changes
Change impact		
Risk assessment	The change will not affect clients. All the module characteristics will remain unchanged. The only sticker on module will be changed to laser print. The displayed information will remain the same.	
Suggested implementation plan.	Due to changes in device appearance we strongly recommend to contact your customs agent with our change log information, to avoid any unexpected delays in the customs clearance process.	
Acknowledgement of PCN receipt		
If no feedback is received within two weeks after the issue date of this notification - Teltonika may accept that this change has been tacitly accepted and can implement the change as indicated above		

2019.04.10: New eco friendly box

Effective May 2019 week 19, TFT100 trackers will be packed with a **new eco friendly box**.

Change description		
Change type	Packaging	
	Improved and more environmentally friendly packaging box	
Detailed description	Old version: 	New version: 
Change reasons	The new box is better for the environment	
Product release date	May 2019, week 19	
Affected products		
Model	Affected order codes	Order code changes
TFT100	TFT100*****	No changes
Change impact		
Risk assessment	No risk factors encountered with this change	
Suggested implementation plan	Due to changes in device appearance we strongly recommend to contact your customs agent with our change log information, to avoid any unexpected delays in customs clearance process.
