

Template:FMC920 Technical features

Technical features

Part name	Physical specification
Navigation indication	LED
Modem indication	LED
Socket	Soldered inner socket
USB	Micro USB socket

Technical details

2 W max.	Nominal: <28 mA
Current consumption at 12 V (Power supply 10...30 V DC)	GNSS sleep: <12 mA Deep Sleep: <3 mA Online Deep Sleep: 8 mA Ultra Deep Sleep: 2 mA
Battery charge current	Average: 140 mA
Operating temperature (with battery)	-20 ... +40 °C
Operating temperature (without battery)	-40 ... +85 °C
Storage temperature (without battery)	-40 ... +85 °C
Storage relative humidity	5 ... 95% (no condensation)
Device + case weight + battery weight	54 g
