---	----------------------------	---	---

TAT100 Hardware version identification

- If Serial Number [S/N] is greater than **1122473261**, then device version: **TAT100 HW: 62.**
- If Serial Number [S/N] is less than **1122473261**, then device version: **TAT100 HW: 31.**

ORDERS AFTER 2022-03-17 WILL BE WITH TAT100 HARDWARE: 62

 **CAUTION!**

When updating firmware via FOTA WEB, pay attention to notice above.
