Precautions

- ✘ Operate the device in suitable conditions**
Do not use the device where mobile connectivity is forbidden.
- Road safety first**
✘ Comply with local traffic laws, always hold your hands on a steering wheel when using a device. Your safety is of utmost importance when you drive.
- Interference**
✘ All wireless devices are sensitive to electromagnetic interference, as a result wireless devices affect the performance of each other.
- Limit the use of device in hospitals**
✘ Please follow all restrictions. Turn off the device in the vicinity of medical devices when required.
- Limit the use of device in vehicles**
✘ Please follow all restrictions. Wireless devices can interfere with other electronic equipment in vehicles.
- ✘ Be cautious near flammable materials and liquids**
- ✘ Use only original batteries**
Using uncertified manufacturer or different type batteries may cause an explosion.
- Use batteries safely**
✘ Protect batteries from moisture. Avoid extensive operation at high temperatures. Batteries are integrated, do not attempt to change or charge the batteries.
- Remove device safely**
✘ Device must be disconnected from computer by unplugging the micro USB cable from the device.
- Other**
✘ In order to prevent device from mechanical damage it is advisable to transport it in a shock-resistant packaging. If device stopped working properly regardless of the settings only a qualified specialist can help. It is recommended to contact your local seller or your UAB Teltonika manager in such a case.
