IMEI/SN info on device display change from barcode to QR

Old Version:

New Version:

This change will not affect device packing and logistic lists. It will remain as barcode.

Detailed description

Change reasons

QR format will increase reliability and minimize error rate, because of the error correction feature and improved reading in low contrast.

Product release date

Devices with new QR Code format will be released in manufacturing from June with 2 months of transition period. Over this period devices with barcode can be delivered as well as devices with QR code.
