Description

The National Telecommunications Commission (NTC; Filipino: Pambansang Komisyon sa Telekomunikasyon) is an attached agency of the Department of Information and Communications Technology responsible for the supervision, adjudication and control over all telecommunications services and radio and television networks throughout the Philippines.

NTC certification (Grant of Equipment Conformity) grants authority to use specified Teltonika devices inside Philippines (see documents below).

Attachments

The image shows a scanned document titled "GRANT OF EQUIPMENT CONFORMITY" from the National Telecommunications Commission (NTC) of the Philippines. The document is for a Teltonika FMB003 device. It includes a table of equipment characteristics and a signature of the NTC Commissioner.

REPUBLIC OF THE PHILIPPINES
NATIONAL TELECOMMUNICATIONS COMMISSION
NTC Building, BIR Road, East Triangle, Diliman, Quezon City
Email: ntc@ntc.gov.ph; website: <http://www.ntc.gov.ph>
