## FMM80A LITAR

An Export Control Classification Number (ECCN) is an alphanumeric code assigned to articles, technology and software (collectively, "items") by the United States Department of Commerce, Bureau of Industry and Security.

ECCN-7A994
Disclaimer:
All nomenclature codes or other regulatory information provided herein reflect the current Teltonika interpretation of regulations and are subject to change without prior notification. It is the obligation of the exporter to comply with applicable export and import control laws and to provide classification information at the time of export/import. Teltonika makes no representation as to the accuracy or reliability of information provided, and is in no way responsible for any damages or penalties suffered by other parties as a result of using or relying upon such information.
