Description

Under National Telecommunication Act. No. 36 year 1999, certificate of approval is required for ITE and Telecommunication equipment to be sold or imported into Indonesian market. The certificate of approval is issued by Directorate General of Resources and Equipment for Post and Information Technology (SDPPI) or in Indonesia called Direktur Jenderal Sumber Daya dan Perangkat Pos dan Informatika. Certifications are granted at the system (host) level and the certificate is valid for each type or model number of equipment while product or model series certificate or type approval is not acceptable as stated in Ministerial Regulation No. 29/PER/M.KOMINFO/09/2008 as annex to the act No. 36 year 1999.
