problem

hello.have good time our many Teltonika devices are some similar problems like 1- can`t to power on
2- one device has not imei (is not register) but there is an imei on the device`s label

IMEI:35209308478755 s/n:1100864541 [Asemankarmania](#) ([talk](#)) 10:07, 4 November 2020 (EET)
