Description

After three decades of providing testing, inspection and certification under SIRIM Berhad, the company established a wholly-owned subsidiary of SIRIM Group – SIRIM QAS International in March 1997. Today, local and international customers from various economies have made us the preferred choice for their testing, inspection and certification needs.

Companies wanting to comply with internationally recognised standards have found their ideal solution in SIRIM QAS International's certification scheme. As a partner of the International Certification Network (IQNet), our management system certificates are globally recognised. Thus, adding value to your products and services and giving you access to world markets. Customers trust and rely on our one-stop solutions and quality services to safeguard their interests and the environment.
